7. **Database Management:** Skilled in working with PostgreSQL and SQLite databases, ensuring data integrity

And optimal query performance.

**Frontend Development:** Proficient in HTML, CSS, and JavaScript for creating dynamic and responsive user Interfaces.

**UI Frameworks:** Experienced in using Bootstrap and Tailwind CSS to design visually appealing and user-friendly web interfaces.

**Versatile Skillset:** Capable of bridging the gap between frontend and backend development, ensuring seamless communication and functionality in web applications.

## **Education:**

### **1. Bachelor of Science in Computer Science**

Southeast University

Tejgaon, Dhaka

**Graduation:** In progress

### **2. Secondary School Certificate (SSC)**

Bangladesh Agricultural Research Institute High School

Joydebpur, Gazipur

**Graduated:** 2019

GPA: 4.33

### **2. Higher Secondary School Certificate (HSC)**

Gazipur Metropolitan College

Joydebpur, Gazipur

**Graduated:** 2021

GPA: 4.75

## **Language Proficiency:**

Language	Reading	Writing	Speaking
Bangla	High	High	Native
English	High	High	Intermediate

## **Projects:**

### **1. E-commerce Website**

**Technology used:** Bootstrape, Ajax, JQuery, Django

### **2. Bulk email sender**

**Technology used:** Tailwind, Javascript, Django

### **3. File share website**

**Technology used:** Tailwind, javascript, Django

### **4. Employee management system**

**Technology used:** Tailwind, Javascript, Django

### **5. SEUQuest Rest Api**

**Technology used:** Django, Langchain

### **6. SEUQuest Telegram Bot Integration**

**Technology used:** Python, Langchain

### **7. Affiliate Website**

**Technology used:** HTML 5, CSS 3, Tailwind, Ajax, Django

### **8. Lead Generation Bot**

**Technology used:** Python, Requests(Library)

### **9. Business Website ( NurTravel)**

**Technology used:** Tailwind, Python Selenium, Javascript, Ajax, Django

### **10. Chrome Extension (Automation)**

**Technology used:** Javascript, Google AppScript
